

FSAA NATIONAL CONFERENCE 2017

RISE

TO THE CHALLENGE

SHERATON ON THE PARK
23RD & 24TH NOVEMBER 2017

WELCOME

& INTRODUCTION

You are invited to attend the 2017 National Conference of the Financial Services Accountants Association (FSAA).

The FSAA is the peak industry body serving professionals involved in the financial services industry, particularly those in the fields of accounting, finance, actuarial, compliance and taxation. Over the years, the FSAA conference has provided delegates with outstanding speakers combined with excellent discussion and networking opportunities.

This year's national conference asks you to **"Rise to the Challenge"** and promises to provide a stimulating forum, promoting thought leadership. We strongly encourage senior finance and risk executives to participate in discussions with peers and subject matter experts on compelling issues of high priority. Participants should feel better prepared after the forum to address the challenging market and changing customer demands.

The FSAA National Conference 2017 offers delegates an ideal opportunity to participate, learn and network with industry colleagues. The conference represents great value and enjoys industry-leading speakers presenting on relevant topics. This year's venue is the Sheraton on the Park in Sydney which is a convenient, quality venue.

I encourage you to register for the conference and prepare yourself for the challenges ahead.

Regards

Brian Vowels
FSAA President
