

Renaë Cooper

PricewaterhouseCoopers

Current Role

Director, Assurance - Financial Services, PwC

Career Profile

Renaë has over 18 years of experience with PricewaterhouseCoopers in the Financial Services sector. During that time, Renaë has predominantly worked with clients in the General, Life and Health insurance sectors, as well as Asset Management. Her audit experience has provided her with detailed knowledge of statutory and regulatory reporting requirements. In addition to her auditing responsibilities, Renaë has also provided financial due diligence services, as well as leading risk and controls optimisation projects, at clients.

Renaë and her partner Grant have 2 young sons, Hayden and Alex, so her time outside of work is largely spent with her young family, as well as squeezing in time for Pilates on a weekly basis.

Education and Qualifications

Bachelor of Commerce (Accounting) - Macquarie University 2000

Member of the Institute of Chartered Accountants Australia
