

Master of Ceremonies

Day One

Thursday, 28 November

Belinda Cicchiello

Belinda is a senior manager at KPMG working in Audit, Assurance & Risk Consulting. Belinda joined KPMG in 2010. She started in the Melbourne office working in the funds and asset management sector, and moved to Sydney, working in the general insurance and broking sector. Belinda has just returned from a three year secondment to the UK, extending her portfolio in the insurance sector to include Lloyds market clients. Belinda has worked on a number of clients listed on the ASX and FTSE.

Geoffrey Rooney

Geoff Rooney is a Sydney based Associate Director within the Financial Services Audit practice. Geoff provides audit and assurance services to the financial services industry, including wealth management, funds management, superannuation, retail and investment banking, leasing and insurance clients. Prior to BDO, Geoff was a Director in EY's Financial Services advisory and audit practice.

Day Two

Friday, 29 November

Kylie Herbst

Kylie is Director in Deloitte's data, analytics and cognitive practice based here in Sydney and has worked in the financial services industry nationally and globally throughout most of her career delivering a wide variety of transformational and compliance based programs of change. Kylie has exceptional portfolio and program management experience having led business and technology projects in large and small organisations across many industries including wealth management, insurance, education, hospitality and telecommunications. She is highly experienced in Agile and Lean, enabling high performance teams.
